A group of strangers are stranded at a remote motel where a maniac begins slaying them one by one in this thriller with a dynamite twist. But when bodies begin piling up, it's up to the survivors to flush out the killer...and uncover the shocking revelation that connects them all. (AC,AL,BN,GV) R-1:30. Apr.3,6,11,14,19,22

Chris Rock takes his spirited style of humor to the White House in this outrageous political satire about a black Washington, D.C. politician who finds himself thrust into the race for president. Mays Gilliam (Rock) is a hard-working alderman whose run of bad luck ends when he's selected to run for president after his party's top candidate is killed in a plane crash. No one expects—or even wants—him to win until his straight-shooting message begins to connect with voters...to the dismay of his smarmy opponent. Bernie Mac is a riot as Mays' anger-prone brother.
